

Recycling Guide

SINGLE STREAM

"Recycling Made Simple"

For your convenience, we offer Single Stream Recycling. Simply label your designated recycling barrels, "recycling" and place all of your recyclables within the same container. You no longer have to separate your recyclables into small, inconvenient bins! Note: barrels should be standard sized, 30-64 gallon barrels and should not be placed directly next to your trash barrels. Your recycling will be picked up in a separate truck. Please have your recyclables ready and accessible by 8:00 AM on your collection day.
